

## Foster Contract

This agreement between \_\_\_\_\_ and Mitten Mutts Dog Rescue (herein referred to as “MMDR”) hereby agree to the following fostering contract terms:

Please initial each item:

- \_\_\_ The foster dog must remain in the foster parent’s care until other MMDR approved arrangements, either a forever home or another foster home, and the foster parent may not rehome the dog with a third party or relinquish the dog to a shelter or animal control facility without contacting a MMDR representative.
- \_\_\_ If issues arise and arrangements are not able to be made for the dog, the foster will have to relinquish dog to animal control and pay any associated costs.
- \_\_\_ The foster parent understands that MMDR has little to no knowledge of the dog’s temperament or character of the dog. MMDR does not make any representations of the dog’s disposition towards people, children, other dogs, cats or other animals or how they behave when they are left alone if they are not crated.
- \_\_\_ The foster parent does have the option to adopt the dog, however, MMDR asks you to inform them ASAP and before an approved application is received for the dog.
- \_\_\_ The foster parent always agrees to comply with all leash laws and maintain control over the dog.
- \_\_\_ The foster parent agrees to provide a safe and loving home to the foster dog and treat the dog as one of their own. The foster parent will provide proper diet, exercise, basic obedience training and housetraining.
- \_\_\_ If the foster parent rents their property, the landlord has given permission for them to foster a dog.
- \_\_\_ The foster home understands the dog is not allowed to go to dog parks or play groups without approval.
- \_\_\_ MMDR agrees to pay for all vetting of the dog while it’s in foster care including but not limited to spay/neuter surgery, other necessary medical procedures, heartworm preventative, flea and tick preventative, etc. The foster parent agrees to transport the dog to and from all veterinary appointments. If the foster parent cannot provide transportation, they will communicate with MMDR and MMDR will arrange transportation.

I, \_\_\_\_\_, have read and agree to the terms of this contract. In assuming possession of a MMDR dog, I agree to assume all responsibility for the dog while she/he is in my care, including any and all claims for damages including personal injury claims as a result of the conduct of the dog. This agreement includes any attorney fees or costs incurred by MMDR as a result of any claim.
